

Dear Marisa,

I just wanted to take a moment to thank you for all your help with my daughter Kelly. After seeing private therapists, school therapists, and teachers I felt helpless.

I saw no light at the end of the tunnel until I met you!

You have such an incredible gift of compassion. You are by far the most patient and wonderful person I have ever met. You relate so well to Kelly and have had such a positive impact on her.

You are helping me to turn her into the person she should be.

Thank you from the bottom of my heart for making such a difference. You are an asset to your profession! I am blessed and fortunate to have met you!

Sincerely,
Marianne [REDACTED]

Thank you so much for helping
me to turn my life around.

You believed in me when no-one
else did and you never gave up
on me. I can never express how
much that "positive push" always
meant to me. You gave me a
reason to be a better person
and helped me every step of
the way.

My family and I believe that
you are our angel!

Thank you again! I may
not be perfect but I won't
disappoint you! Love,

Kelly
